

Beach Haven, NJ- WeddingWire, the nation's leading wedding technology company, is thrilled to announce The Gables, Inn and Restaurant of Long Beach Island has been selected to receive the prestigious annual WeddingWire Bride's Choice Awards™ 2011 for wedding receptions and venues.

Recognition for the Bride's Choice Awards™ 2011 is determined by recent reviews and extensive surveys from over 750,000 WeddingWire newlyweds. Our past clients are among those that shared their experiences on WeddingWire, the largest wedding review site in the nation.

The Gables stands among the top five percent of wedding professionals in the WeddingWire community, representing quality and service excellence within the wedding industry. Awards were given to the top wedding professionals across 20 service categories, from wedding venues to wedding photographers, and were based on the overall professional achievements throughout the past year.

Owner director, Sondra Beninati, was honored to have the Gables so prominently recognized. "The Gables became a wedding venue by chance, not design..a couple would come for dinner and decide that the Gables had exactly the right atmosphere, great food and gracious charm that they wanted for their wedding. We provide them with a customized menu of four star food, rather than the usual cateringhall fare. The bride and groom open the Gables as if it was their home and they've invited all their family and friends to a great old Victorian house for a wonderful party. Our garden becomes the ballroom and makes a wonderful ceremony site, we also have five unique guest rooms for the wedding party. Each bride is different, and each wedding at The Gables celebrates that."

"WeddingWire is honored to celebrate the success of the top-rated wedding professionals within the WeddingWire community," said Timothy Chi, WeddingWire's Chief Executive Officer. "With the annual Bride's Choice Awards™ program, WeddingWire has the unique opportunity to recognize the best wedding professionals across the US and Canada. We applaud The Gables of Long Beach Island for their professionalism and dedication to enhancing the wedding planning experience last year."

We are happy to announce The Gables, is among the very best reception sites within the WeddingWire Network, which includes leading wedding planning sites WeddingWire, Martha Stewart Weddings, Project Wedding and Weddingbee. We would like to thank our past clients for nominating us to receive the Bride's Choice Awards™ 2011.
